

**Request for Bids for the North Bank Working Landscapes
Tidal Channel Restoration Project**

Requested by:
Coos Soil and Water Conservation District
379 N. Adams Street
Coquille, OR 97423

Nov 30th, 2022

**Request for Bids
for Construction:**

**The North Bank Working Landscapes
Tidal Channel Restoration Project**

PHASE II

(Tidal Channel Re-Meander and Dike Reconstruction)

Bidders shall submit their proposal pursuant to the provisions of this solicitation by email to:

info@coosswcd.org

***PRE-BID SITE VISIT**

December 15th, 10AM

Please RSVP by Contacting:

Coos SWCD Manager Caley Sowers

541-396-6879/971-645-6634

info@coosswcd.org

**Site visit not mandatory if contractor has attended a previous bid site tour within the past year*

SOLICITATION CLOSING

December 30th, 2022 at 5:00PM

(LATE BIDS WILL NOT BE ACCEPTED)

Bidders are solely responsible for ensuring that the Coos SWCD receives the proposal. This Bid Document and accompanying attachments are available on the Coos SWCD website at www.coosswcd.org, and may be requested via email

[\(info@coosswcd.org\)](mailto:info@coosswcd.org)

Bidders shall familiarize themselves with this entire Bid Document. All questions and comments about this solicitation shall be directed IN WRITING to Caley Sowers, Coos SWCD District Manager

Email to: info@coosswcd.org

INVITATION TO BID

Notice is hereby given pursuant to this Request for Bids (“RFB”) that sealed bids (a “Bid”) for the North Bank Working Landscapes (NBWL) and Tidal Channel Restoration Project (“Project”). Funding for project implementation is dependent on grants from the Oregon Watershed Enhancement Board, Business Oregon Development, and others, and subject to specific project criteria, legal requirements, and timelines. Start date for implementation is July 2023.

Those receiving this RFB who wish to submit a Bid (in each case, a “Bidder”) shall furnish labor, materials and equipment necessary for completion of work in accordance with the specifications provided in the Bid Prospectus. **In-water work will start on July 1 and will be completed by September 15, 2023, by the end of the in-water work period (IWWP).** A contract will be awarded for the work. The contract documents (including special provisions and specifications) are available at the Coos SWCD office, 379 N. Adams St., Coquille, OR 97423 or may be requested via email: info@coosswcd.org.

Included in this Request for Bids (RFB) is:

Exhibit A: Bid Prospectus that includes project background, requirements for Bidders, proposal instructions, and required forms

Exhibit B: Design Drawings and Maps

Exhibit C: Technical Specifications (including Erosion and Sediment Control Plan)

Exhibit D: Geotechnical Report

Exhibit E: Inadvertent Discovery Plan

Exhibit A:

BID PROSPECTUS

PROJECT LOCATION: Bandon, OR

SITE TOUR: December 15th, 11AM-12PM, meet at property owner's driveway at 85345 North Bank Lane (there is limited parking at the base of the driveway, adjacent to the road. Pickups, SUVs, and larger vehicles may park at the gravel staging area on the project site, alongside North Bank Lane). Please RSVP by emailing Caley at info@coosswcd.org or leave a message at the District office (541-396-6879).

NOTE: *The site tour is not mandatory if the contractor has attended a previous bid site tour for the project within the past year.*

DIRECTIONS TO SITE:

From Coos Bay, head south on US-101 for 18.1 miles, then turn left onto Randolph Rd, travel 1.1 miles then turn left onto N. Bank Ln for another 1.8 miles. The project site will be on the right hand side of the road; limited parking at landowner's driveway on left.

From Coquille, travel northwest on Hwy OR-42 W/E for 4.5 miles, towards N. Bank Ln. Turn left onto North Bank Ln. for 12.9 miles, the project site will be on the left, with limited parking at landowner's driveway on the right.

NOTE: *Statements made by Coos SWCD's representatives at the conference will not be binding on association unless confirmed by written addendum.*

APPROXIMATE START DATE: June 2023, for staging; July 1, 2022 for in-water work.

COMPLETION DATE: September 15, 2023 for in-water work. October 15, 2023 for all site decommissioning, clean-up and MOB out.

BID INSTRUCTIONS: Bids shall be emailed, mailed or hand delivered to;

Caley Sowers

info@coosswcd.org

Coos Soil and Water Conservation District

c/o Caley Sowers

379 N. Adams St.

Coquille, OR. 97423

Bidders must clearly show the following information on the envelope in which their Bid is sent:

Name of Bidder

RE: Bid for North Bank Working Landscapes Project

Bidder's Address

Proposals shall include, at a minimum, the following items:

- A. **Bid Form in Exhibit A completed.**
- B. **Scope of Work.** Please provide a work plan to accomplish the Project goals as described in the RFB, including a description of the work product, time estimates for each task, personnel to be

assigned (where possible, individual staff members and titles should be provided), and costs, taking into account the proposed timeline for completion of the Work indicated in the RFB.

- C. A list of equipment with size expected to be on the project (Including proposed fire safety).
- D. A written statement affirming your ability to undertake and complete specific phases of this work in a timely fashion from July 1, 2023 through on or before September 15, 2023.
- E. A signed statement that you can and shall provide the Insurance requirements as listed if awarded.
- F. Bids must not contain any erasures, interlineations, or other corrections unless each such correction is suitably authenticated by affixing in the margin immediately opposite the correction the surname or surnames of the person or persons signing the Bid, in the named person's own handwriting.
- G. In order for a Bid to be considered responsive, it must contain all of the documents and information which are required by this RFB, with signatures and notarization as indicated, and it must: (i) not include any exclusions or qualifications and (ii) include additive, alternate, unit and lump sum costs as listed on the bid forms. (iii) Bid prices must (where applicable) be F.O.B. at the Site, with all transportation and handling charges paid by the Bidder.

BID DEADLINE: December 30th, 2022 at 5:00pm.

PROJECT BACKGROUND:

The North Bank Working Landscapes Tidal Channel Restoration Project seeks to restore floodplain connectivity to 32 acres of a working, family farm on the southeast floodplain of the Coquille River just east of Bandon, OR. As a working landscapes restoration initiative, this project has been designed to restore critical habitat for Oregon coast ESU coho salmon and other anadromous fish populations while also providing improved infrastructure and tidal water management for the landowner. To achieve this, the Coos Soil and Water Conservation District and the property owners' family are collaborating with the Oregon Department of Fish and Wildlife (ODFW), the Oregon Watershed Enhancement Board (OWEB), and Business Oregon Development (BizOR); and have contracted Waterways Consulting, Inc. for the engineering and design of the project. Implementation of the project has been structured into Phases of Construction. Phase I Construction (completed in September 2022) replaced the failing and undersized 1.0' diameter culvert and tidegate with a new 72' long/7' diameter Weholite culvert, side-hinged aluminum tidegate, and Muted Tidal Regulator, and connected the new tidegate channel to the existing linear "ditch" network;

PHASE II CONSTRUCTION SCOPE OF WORK:

Phase II Construction Actions shall include:

- reconstructing 2,562' of eroded/failing dike or berm;
- reconstructing 3,800' of sinuous historical tidal channels (including 2 acre wetland pond at the south end of the channel network) and filling in current linear, channelized "ditch" network.
- harvesting spruce trees with root-wads from the existing dike area, transporting, and installing them as large wood structures at strategic locations within the re-meandered channel network to enhance salmonid habitat and cover;
- installing five (5) livestock and farm equipment crossings on the reconstructed channel network;

Work shall include but is not limited to excavating and grading a reconstructed tidal channel network, pulling back and reconstructing an existing dike according to engineer's specifications, and installing livestock crossings and log structures in the newly constructed channels (see Exhibit B and C). Work must be completed in one season. Any subcontracting needed by the bidder will be listed and

included in the bid documents. Subcontractors will be selected by the Contractor and Coos SWCD to ensure legal requirements are met. Please see **Exhibit C** for technical specifications.

EQUIPMENT CHOICE: – Heavy equipment will be commensurate with the project and operated in a manner that minimizes adverse effects to the environment (e.g., minimally-sized, low-pressure tires, minimal hard turn paths for tracked vehicles). All Equipment will be cleaned and free from foreign materials to prevent invasive species before being brought to the project site. All equipment used for instream work will be cleaned for petroleum accumulations and leaks repaired prior to entering the project area. If equipment is found to be leaking during project work, all activity shall immediately cease until mechanical issues are addressed.

SITE ACCESSES: Minimize the number of temporary access roads and travel paths to lessen soil disturbance and compaction and impacts to vegetation. See **Exhibit B** for site access plans.

SITE EXITS: See **Exhibit B**

ROAD CLOSURES: North Bank Road shall remain open throughout the project; delays shall be kept to a minimum, and not exceed 30 minutes at any one time. The Contractor shall be responsible for coordinating road use with other crews and traffic in the area and shall ensure adequate signage is used when needed including CB contact channel.

FIRE RESTRICTIONS: The Contractor shall know and adhere to all fire rules and restrictions that apply to the project area, during implementation of the project. Contractor shall provide adequate tools and equipment to meet fire restriction requirements. Contractor shall be in default of contract should project be delayed for lack of required fire equipment preventing work that could have otherwise been completed.

SPILL PLAN: The Contractor shall have and be ready to deploy a spill kit in response to any leaks/spills of petroleum products or other contaminants. A spill plan will be provided, but spill kits must be provided by the Contractor.

INADVERTENT DISCOVERY PLAN: An Inadvertent Discovery Plan will be provided for directions in case of uncovering cultural resources during ground disturbing activities (**see Exhibit E**).

STAGING: Fueling and cleaning and inspection for petroleum products and invasive weeds

A. All equipment used for instream work will be cleaned for petroleum accumulations, dirt, plant material (to prevent the spread of noxious weeds), and leaks repaired prior to entering the project area. Such equipment includes large machinery, stationary power equipment (e.g., generators, canes), and gas-powered equipment with tanks larger than five gallons.

B. Store and fuel equipment within the staging area shown on the Drawings (**see Exhibit B**).

C. Inspect daily for fluid leaks before leaving the vehicle staging area for operation.

D. Thoroughly clean equipment before operation below ordinary high water or within 50 feet of any natural water body or areas that drain directly to streams or wetlands and as often as necessary during operation to remain grease free.

Note: Equipment (e.g. excavators) that will perform In-Water work will be required to have biodegradable hydraulic fluid.

EXAMINATION OF SITE, BID DOCUMENTS, PERMITS, ETC.: Before submitting a Bid, each Bidder shall be responsible for: (i) becoming fully acquainted with the site and the conditions relating to the work, in order to understand fully the facilities, difficulties, and restrictions attending the execution of the Work; (ii) carefully examining each component of the Bid Documents and any other available supporting data, in order to become thoroughly familiar with all of the requirements; and (iii) obtaining for itself, at its own cost and expense, copies of all agency and association guidelines and standards cited in the proposed Contract and necessary to perform the Work. No failure or omission of any Bidder to receive or examine any such information or to visit the Site and become acquainted with the conditions existing at the Site shall in any way relieve such Bidder from obligations with respect to its Bid, any Contract entered into with such Bidder, or the Work, and the submission of a Bid shall be taken as *prima facie* evidence of compliance by the submitting Bidder with the requirements of this paragraph.

SELECTION AND EVALUATION CRITERIA: Proposals will be evaluated by a Selection Committee that, after a review of written proposals, may choose to also conduct a personal interview. Selection Committee will include at minimum, ODFW Fish Biologist, Coos SWCD Project Review Committee or their chosen representatives, Project Engineer, and Project Manager. Bid evaluation will be based on the qualifications and ability of the Bidder to meet the specifications for the tasks described in this RFB in a cost-effective and timely fashion. Selection will also be based on the ability of the Bidder to work in a cooperative manner with Coos SWCD staff and project partners on the Project. Coos SWCD will generally not disclose the status of any award until the appropriate authority at Coos SWCD has approved the award of a Contract. Normally, the awarding of a Contract or Bid rejection will occur within 7-10 business days after Bid opening. If the selected Bidder and Coos SWCD agree, this deadline may be extended, but Coos SWCD reserves the right: (i) to award multiple Contracts for parts of the Work; (ii) to consider such criteria as it may deem appropriate with respect to the Project; (iii) to reject any or all Bids; and/or (iv) not to proceed with the Work and/or the Project (or any part thereof); all in the exercise of its sole and absolute discretion. Coos SWCD will provide a written notice of its intent to award a Contract to the successful Bidder(s) (in each case, a "Notice of Intent to Award Contract"), and any submittals required to be submitted to Coos SWCD within a certain number of days after award is made will count from the day that the Notice of Intent to Award Contract is given. The actual award shall, however, be dependent on full execution of the Contract(s) and submission by the successful Bidder(s) of all other required documents.

EVIDENCE OF RESPONSIBILITY: Upon the request of Coos SWCD, a Bidder whose Bid is under consideration for the award of a Contract shall submit promptly to Coos SWCD satisfactory evidence showing the Bidder's financial resources, construction experience, and organization available for the performance of the Work.

RIGHT TO AWARD OR REJECT: This RFB does not obligate the Coos Soil and Water Conservation District to award a contract, the Coos SWCD reserves the right to reject any and all proposals and to further amend or refine a proposal and negotiate a contract with one of the proposers. The Coos Soil and Water Conservation District also reserves the right to offer a contract to other than the lowest cost bidder based on other evaluation criteria.

CONTRACT REQUIREMENTS: It is the desire of the Coos Soil and Water Conservation District to enter into a contract that includes all of the services necessary to achieve the goal of the project, whether or not those services are specifically outlined or described in this RFB. This project includes

federal funds, therefore the selected firm must be able to comply with any specific federal provisions and regulations that may apply to such a federally funded contract and may be required to sign certain assurances related to applicable federal or state laws.

WAIVER OF INFORMALITIES: The Coos Soil and Water Conservation District reserves the right to waive minor informalities contained in proposals, when in the District’s sole judgment; it is in the best interest of the District to do so. The Coos SWCD reserves the right to waive minor informalities in the Bids received. The Coos SWCD may also reject any Bid not in compliance with all prescribed requirements, including the requirement to demonstrate the Bidder’s responsibility and may reject for good cause any or all Bids upon a finding by the Coos SWCD that it is in the public interest to do so, in accordance with OAR 137-049-0440

BID ERRORS AND WITHDRAW: A Bidder may withdraw its Bid at any time prior to the date and time that Bids are due, by means of written notice which is given to Coos SWCD before the date and time that Bids are due, at the address for submission of Bids which is given above. A Bidder may also modify and/or resubmit its Bid at any time prior to the date and time that Bids are due.

BIDDERS INTERESTED IN MORE THAN ONE BID: No person, firm, or corporation shall be allowed to make, file, or be interested in more than one Bid for the Work. However, a person, firm, or corporation which has submitted a sub-proposal to a Bidder, or which has quoted prices of materials to a Bidder, is not thereby disqualified from submitting a sub-proposal or quoting prices to other Bidders or making its own Bid.

COSTS INCURRED: The Coos Soil and Water Conservation District accepts no liability for any costs incurred by respondents in the preparation or presentation of proposals.

INQUIRES: Questions concerning this request for proposals should be directed in writing to: District Manager – Caley Sowers, Email: info@coosswcd.org

Each Bidder shall promptly notify Coos SWCD of any discovered conflicts, ambiguities, or discrepancies in or between, or omissions from, the Bid Documents. Bidders should note that questions received less than two calendar days prior to the date scheduled for opening of the Bids may not be answered. Any interpretation or correction of the Bid Documents will be made only by Addendum, and a copy of such Addendum will be sent directly to each Bidder. No oral interpretations of any provision in the Bid Documents will be made to any Bidder.

DEADLINES & MILESTONES SUMMARY

Bid due date:	December 30th, 2022
Anticipated opening of Bids:	Jan 3, 2023
Successful Bidder(s) to provide contract/all paperwork to Coos SWCD:	Jan 30th, 2023
In-water start date:	July 1, 2023
In-water completion date:	September 15, 2023

Bid Form

North Bank Working Landscapes Tidal Channel Restoration Project

This Bid is being made to The Coos Soil and Water Conservation District, a State of Oregon Municipal Corporation, (“Coos SWCD” or “Owner”) in the form of a sealed bid (the “Bid”) with respect to the project known as “North Bank Working Landscapes Tidal Channel Restoration Project” (the “Project”), located near Bandon, in Coos County, Oregon (the “Site”). The undersigned (“Bidder”) is making this Bid pursuant to the terms of the Request for Bids for the Project, dated June 7th, 2022 (the “RFB”), a copy of which was supplied to Bidder by or on behalf of Coos SWCD and has been reviewed in its entirety by Bidder. The RFB and all of the documentation required of a proposed bidder on the Project under the terms of the RFB are sometimes hereinafter referred to collectively as the “Bid Documents”.

Name of Bidder: _____

Business License Number: _____ Federal Tax Id No: _____

Contact Person(s): _____

Place of Residence (if individual): _____

State of Incorporation/Formation (for entities): _____

Business Mailing Address: _____

Shipping Address (if different): _____

Telephone Number: _____ Fax Number: _____

Email: _____

Pursuant to and in compliance with the RFB, the undersigned Bidder, having become familiar with the conditions at the Site and otherwise affecting the performance of the Project; the cost of the work to be done in carrying out the Project (collectively, the “Work”); the terms of the Bid Documents; and the form of the Contract to be awarded to the successful bidder (the “Contract”); hereby proposes and agrees to perform the Work within the time stipulated in the Bid Documents and to provide and furnish any and all labor, materials, equipment, transportation, utilities, and services necessary to perform and complete the Work in a workmanlike manner and in strict conformity with the requirements contained in the Bid Documents, including any addenda referenced below, for the amount(s) and/or at the rates indicated below (collectively, the “Bid Price”).

By signing and submitting this Bid to Coos SWCD, Bidder hereby represents, warrants, acknowledges, and agrees to and with Coos SWCD, or certifies to Coos SWCD (as applicable), as follows:

1. Bid. Bidder hereby offers to carry out and complete the Work for the Bid Price, made up of the price(s) and/or rates, and according to the budget, which are more particularly described in Schedule 1 to this Bid, and Bidder has checked all of the figures contained in this Bid carefully and understands that Coos SWCD will not be responsible for any errors or omissions on the part of Bidder in making this Bid.

2. Quantities. Bidder understands that the quantities mentioned in the RFB are approximate only and are subject to increase or decrease, and hereby proposes to perform all quantities of work as either increased or decreased in accordance with the terms of the Contract.

3. Bid to Remain Open. This Bid, unless withdrawn prior to the scheduled closing time for receipt of Bids, or thereafter when permitted under the terms of the RFB, shall remain valid and will not be withdrawn by the undersigned Bidder for a period of thirty (30) days after the scheduled closing time for receipt of Bids.

4. Responses to Coos SWCD Concerns. Bidder hereby responds to Coos SWCD's concerns about the following issues as indicated below, with such responses being continued/contained on attached schedules to the extent indicated below in each case:

- (a) Minority- and Women- Owned Business Enterprises. Is the Bidder's firm at least 51% minority- or women-owned, controlled and operated: ____ Yes ____ No

If the answer is "yes", identify the % of minority- or women-ownership, control and operation:

-
- (b) Additional Information. Please provide any other information you feel would help Coos SWCD's selection committee evaluate your firm for this Work.

5. License(s). By execution of this Bid, the undersigned Bidder declares that Bidder holds the following license(s) relevant to the Work, in accordance with the applicable licensing laws where the Project is to take place, as follows:

Classification: _____

License number: _____

Expiration date: _____

6. Interested Persons. The names of all persons interested in this Bid as principals are as follows:

If Bidder or another interested person is a corporation, state the legal name of the corporation, its state of incorporation, and the names of the president, secretary, treasurer, and manager thereof.

If Bidder or another interested person is a partnership or other form of legal entity, state the name and form of the entity, its state of formation, and the names of all the individual partners, members, joint venturers or others with an interest in the entity.

If Bidder or another interested person is an individual, the person's state of legal residence, and the first and last names in full, and give all fictitious names under which the individual does business.

7. Notices. Bidder understands that, except as noted below, notice of acceptance of this Bid, any requests for additional information, and any other notices to Bidder with respect to this Bid shall be given in writing and addressed to Bidder at the business address for Bidder which is set out above. Each such notice or request shall be deemed given either upon actual delivery (or attempted delivery) to such address (whether personally or via courier), or three calendar days after being placed in the US mail, postage prepaid, addressed to Bidder at such address. However, Bidder understands that Coos SWCD may, if it chooses, elect to respond by email to questions from Bidder, at the email address provided in this Bid.

8. Attachments. Attached to these Bid cover pages and incorporated into this Bid by this reference are the following required items, in the forms required under the RFB:

- (a) Schedule 1 – Bid Price sheet with the details of the Bid Price (an Excel spread sheet may be used instead of the form provided);
- (b) Schedule 2 – List of references for similar projects completed;
- (c) Schedule 3 – List of proposed subcontractors and suppliers;
- (d) Schedule 4 – Insurance requirements

9. Requirements Upon Award. If this Bid is accepted by Coos SWCD and notice of such acceptance is timely delivered to the undersigned, then the undersigned shall, within ten (10) days after receipt of such notice, execute and deliver to Coos SWCD:

- (a) the Contract, in the form required under the RFB, as prepared by Coos SWCD;
- (b) the insurance certificates required under the RFB and the Contract; and
- (c) such other documentation as may be required under the Contract.

Thereafter, the undersigned will commence and complete the Work within the time required by the Contract.

10. Bidder's Acknowledgment, Certification, and Agreement as to its Bid. By submitting this Bid, Bidder shall be deemed to acknowledge, certify, and agree to and with Coos SWCD that Bidder:

- (a) has taken steps reasonably necessary to ascertain the nature of and location of the Work;
- (b) has investigated and satisfied itself as to the general and local conditions that can affect the Work or its cost, including but not limited to:
 - i. conditions bearing upon acquisitions, transportation, disposal, handling, and storage of materials;
 - ii. the availability of labor, materials, water, electric power, and access via roads or waterway;
 - iii. uncertainties of weather, river stages, tides, or similar physical conditions at the Site;
 - iv. the conformation and condition of the ground and any shoreline or riparian area;
 - v. the character of equipment and facilities needed preliminary to and during Work performance; and
 - vi. the Site's biological, chemical, and associated physical hazards;
- (c) has satisfied itself as to the character, quality, and quantity of surface and subsurface materials or obstacles to be encountered, insofar as this information is reasonably ascertainable from an inspection of the Site as well as from the Bid Documents and other information made a part of the RFB; and
- (d) has satisfied itself as to the adequacy of time allowed for the completion of the Work.

11. Addenda. Bidder has received, reviewed, and understands, the following Addenda to the original Bid Documents (list all Addendums associated with this Bid packet):

Addendum Number	Date of Addendum

In witness whereof, this Bid is being executed and delivered by Bidder as of the date(s) set forth below

If Bidder consists of or includes one or more corporations, partnerships, or other forms of legal entity, the full legal name of the entity shall be set forth in the signature block below, together with the signature(s) of the officers, partners, or other individuals authorized to sign contracts on behalf of and to bind the entity.

By: _____

(Signature)

Print Name: _____

Print Title: _____

Print Date: _____

If Bidder consists of or includes one or more individuals, the following form of signature block is to be used for each of such individuals:
